

1544m² Building for Rent in Strovolos, Nicosia District

This remarkable commercial building in Cyprus stands out as a pioneer in sustainable architecture, ranking among the nation’s first net-zero structures. It is crafted for complete energy self-sufficiency, creating as much energy as it consumes, which significantly reduces both its carbon footprint and energy expenses. The building accomplishes this through various energy-efficient practices such as the use of renewable energy, the integration of smart technologies, an innovative design, and a high-performance building envelope.

The building also features a visionary open-plan design that offers exceptional flexibility, enabling each office space to be customized to specific n...
