

3771m² Building for Rent in Paphos District

This superb building is designed with a distinctive architectural feature, setting it apart from traditional structures.

Each floor boasts a spacious and open layout without the presence of columns in the middle.

The structural integrity is achieved through strategically placed load-bearing walls, providing not only a modern aesthetic but also maximizing the flexibility of interior spaces .

This design innovation enhances the overall functionality, making it a standout choice for prospective buyers.

The façade structure is constructed using round panoramic glass. The building exterior is enveloped with double glazed aluminum glass and alucobond, which provide...
