

3 Bedroom Apartment for Sale in Agioi Omologites, Nicosia District

The particular design of this residential block is located just of one of the central feeds into the city of Nicosia within the dense urban fabric which now describes the area. The property is located near KPMG. The design itself has grown out the specific observation and mapping of existing elements within the city. Form and structural elements are informed through their materiality. The combination of these provides the result with a legible language. The structural skeleton itself remains exposed. Something of an exoskeleton. Its description is then filled with a series of glazed and solid panels and with louvered systems that almost seem to be shifting across the different levels of t...
