

4 Bedroom House for Sale in Nicosia District

This project consists of villas and apartments that covers the high end and qualitative market needs for larger residential units in the heart of the Nicosia city center along the Pedieos River and adjacent to the Nicosia Linear Park. Since the project is situated next to the River and Linear Park a centrally located pedestrian walkway that meets the river park allowing free access to all residents and guests towards the park and the project itself. Vehicle movement will only be done underground which will eliminate non natural elements and preserve the particular characteristic environment of the area. There will be a central entrance accessible only to residents and the project will off...
