

107m² Office for Sale in Limassol District

This imposing multi level building designed by known Architects has been thoughtfully orientated. Office and retail space are maximized and offices capture views across the evergreen treetops of neighboring parkland and the sea. A mixed use concept illustrates precisely the dynamic way that retail office and residential spaces can come together sustainably. At the same time the building's modern profile blends into an established neighborhood showing that intelligent creative design can elevate urban lifestyle to new levels. Convenient location is one of the most compelling attributes. The building is situated for ease of access by visitors and occupants alike.
