

2 Bedroom Apartment for Sale in Larnaca

Project is characterised by its immediate access to the blue flag Mackenzy beaches, its panoramic and unobstructed views of the sea and the careful and meticulous design of its eight luxury and high-end apartments.

The project will have an energy efficiency of grade “A” since photovoltaic panels will be installed on the roof in order to produce renewable energy. The photovoltaic panels through “net metering” will make sure owners benefit from significant savings in electricity consumption.

Each apartment will benefit from a parking bay and storage room on the ground floor.

The project is expected to be completed BEFORE December 2025.
