

2550m² Building for Sale in Aglantzia, Nicosia District

Attractive investment opportunity!

The student residence project is a four-story modern building which consists of 75 self-contained studios, with the supplementary use of all the communal facilities such as the lobby, reception, cafe, tv room, study room, gym and game room, all on the ground floor along with the parking facilities.

The shortage of similar accommodation is tenfold the number of Student Residence capacity and is expected to increase further with the completion of the New Medical School presently under construction.

The project is currently under study.
