

4 Bedroom House for Sale in Kalithea, Nicosia District

Situated in the serene and lush greenery just 5km from Nicosia, this breathtaking Villa is an affluent blend of glass, steel, wood and concrete. Even with so many windows, the broad overhangs allow the use of an abundance of glazing without succumbing to extreme heat gain from the Cyprus sun.

Moreover, their strategic placement provides views of the garden and of the surrounding green area.

Four spacious bedrooms and bathrooms and an open plan kitchen, living and dining area positioned in such a way as not to interfere with one another unless desired make the perfect layout for modern living.
