

2 Bedroom Apartment for Sale in Limassol - Agios Nektarios

Two-bedroom apartment is located on the 1st floor of the modern building being currently under construction.

The project is located in the most expensive area of Limassol due to its close proximity to the city center, and walking distance to banks, offices, and high-end restaurants in the area. Properties in this area tend to have high rental value and most importantly high resale value as land is scarce in the area.

It is constructed with the most luxury fittings in mind for the most demanding homeowners. This modern design of a small building of only six apartments, and two apartments on the first floor, creates a harmonic environment for owners.
