

3 Bedroom Apartment for Sale in Larnaca District

A mid-rise apartment building is designed for those who share similar values and cultural ideas, and aims to deliver a calm environment for residents to enjoy and embrace. Strategically positioned to overlook the new port and marina along Larnaca's waterfront it is only steps from some of the finest restaurants and shopping that the city has to offer.

The building's facade deliberately imitates the ever-changing surface of the sea with its undulating curves, dips and peaks so that the overall effect is one of not only adapting to the surroundings but of actually contributing by adding a new distinctive architecture.

The three-bedroom apartment is exceptionally attractive....
