

4 Bedroom House for Sale in Latsia, Nicosia District

The ground floor in this gorgeous villa is much more clearly segregated between the kitchen and every day sitting area from the formal reception halls for entertaining guests.

On the same level and to the side of the house is a laundry room to service cleaning tasks. Upstairs, there is one en-suite master bedroom, three other bedrooms sharing the family bathroom facilities and an office space looking towards the gardens.

The villa has a feel of American-inspired housing of 4 bedrooms over a whole plot of land with provisional private swimming pools, covered parking areas and landscaped gardens.

Inside and outside, the house is completed with deluxe materials from France...
