

936m² Plot for Sale in Germasogeia, Limassol District

A nice shaped big plot with plans and permits for a bespoke design Villa organized in four(4) floors. Its unique geometry is adaptive to the unobstracted views to the city coastline, and the challenging landscape characteristics. Suitable for the needs of a family and at the same time suitable for a single exclusive Client.

Its brutality and materiality portraits an amazing composition of textures that emphasizes the taste of the potential resident.
