

2 Bedroom Apartment for Sale in Limassol - Agios Athanasios

Sale of 2 bedroom penthouse with roof garden and private pool.

Situated in the urban area of Agios Athanasios in Limassol, a project is proposing a three storey building.

The clean white volume with its simplicity is allowing light to be the primary focus, and through the proposed screenings light and shadows are proposing a surprise game.

The building rises above ground interconnecting the surrounding topography within the proposed boundaries, unifying and repositioning the buildings essence within the broader urban fabric.

The project provides new ways to view the concept of living. Introversion and privacy are the two main components expressed by the design.
