The new storey steel structure addition of the development consists of 25 luxury flats of 5 studios, 13 one-bed flats and 7 two-bed flats with 3 roof gardens to the top of the building. The development is surrounded with the most popular cafes, restaurants, and shops within a very close proximity to Larnaca Foinikoudes seafont. The development is revising the Urban Centre, giving a new experience to the commercial streets and to Larnaca residents, with a modern but subtle design to fit the character of the area.
