

Luxury residential complex in central Limassol, in a privileged and quite neighborhood of the tourist area, approximately half a kilometre from the seafront. The building reaches up to 4 storeys in height. The buildings are set around the landscaped garden, located in the center of the project. The design is influenced by elements from both the natural and man-made world. Wide horizontal bands form continuous balustrades that wrap around the blocks at each level, emphasizing the horizontal nature of the development. The residents will enjoy the privacy of the gated compound with outdoor pool, gym and covered parking.
