

3771m² Building for Sale in Kato Paphos

This exceptional 9 floor building is designed with a distinctive architectural feature setting it apart from traditional structures. Each floor boasts a spacious and open layout without the presence of columns in the middle. The structural integrity is achieved through strategically placed load bearing walls providing not only a modern aesthetic but also maximizing the flexibility of interior spaces. This design innovation enhances the overall functionality making it a standout choice for prospective buyers. The development comprises five plots and is situated in an exceptionally advantageous location and boasts easy accessibility within major avenues merely a minute's drive from the highway...
