

2,007m² Plot for Sale in Limassol District

This residential field is located in the Agios Ioannis Community of Limassol District, approximately 250 meters northwest of the community center. The property enjoys a pleasant setting, surrounded by a beautiful natural environment, making it suitable for residential development in a quiet and attractive area. 

The field has an irregular shape and an uneven surface. It benefits from access via a public registered road along its northeastern boundary, with a frontage of approximately 7 meters.

Please note that the property is affected by a planned road widening, a factor that should be taken into consideration for future development.
