

## 2 Bedroom Apartment for Sale in Germasogeia, Limassol District

Set within the highly desirable neighbourhood of Potamos Germasogeia, this boutique residential project stands out for one reason that truly matters — space. Designed for those who value generous proportions and long-term comfort, it offers apartments that are exceptionally large by modern standards, a rarity in new developments today. 

The project presents a curated collection of one-, two- and three-bedroom residences, each thoughtfully planned with wide layouts, high ceilings and a natural sense of flow. Living areas feel open and breathable, enhanced by three-metre ceiling heights and carefully balanced proportions that prioritise everyday comfort rather than visual effect.
