

## 2 Bedroom House for Sale in Limassol - Agia Fyla

Set on an elevated hillside in one of Limassol's most established residential districts, this boutique development offers open sea views, fresher air, and a rare sense of calm — while remaining closely connected to the city's everyday infrastructure. The project is intentionally limited in scale, comprising a small collection of modern apartments and townhouses designed with a focus on privacy, light, and balance. Generous ceiling heights, well-proportioned interiors, and expansive terraces shape homes that feel open yet composed, allowing outdoor spaces to become a natural extension of daily living — ideal for relaxed evenings, entertaining, or quiet moments above the city....
