

3 Bedroom House for Sale in Kokkinotrimithia, Nicosia District

A three-bedroom house for sale in the area of Kokkinotrimithia, Nicosia, located on a plot of 316 m2. The total internal area of the house is 155 m2, which provides a comfortable and functional space for a modern family. The project was developed taking into account modern standards of construction and energy efficiency. The house will be equipped with an installed 3 kW photovoltaic system, which will significantly reduce energy costs. It also provides preparation for the installation of an air conditioning and heating system, which provides the possibility of individual climate control settings. Additionally, the house has a covered parking and a storage room, which makes daily life more c...
