

2 Bedroom Apartment for Sale in Engomi, Nicosia District

Two-bedroom penthouse for sale in Engomi, Nicosia. The project is characterized by high quality construction and thoughtful engineering solutions that meet the latest standards of energy efficiency and comfort. The price of the apartment includes underfloor heating throughout the area, as well as a fully installed air conditioning system, including a hidden central system in the living room. Each apartment is equipped with individual 2.5 kW solar panels, which allows you to cover your daily electricity consumption. A modern new generation heat pump is used, which simultaneously serves the heating, air conditioning and hot water supply systems, ensuring energy efficiency and cost reduction....
