

4 Bedroom Apartment for Sale in Limassol - Agios Athanasios

Elit Collection.

Sophisticated penthouse featuring a spacious roof terrace and breathtaking, expansive sea views.

It is a contemporary residential complex located in the beautiful coastal city of Limassol, basking under the Mediterranean sun.

The building has elegant facades clad in Alucobond in a bright shade. Deliberately asymmetric modulation of the openings gives the building's volume and depth, emphasised by the cut niches, which maximise views from inside the rooms. Full-height windows guarantee maximum brightness; well-designed blinds and curtains will provide shading and sun protection. Very light and elegant glass railings will protect the view.
